PRESS RELEASE

FOR IMMEDIATE RELEASE **January 11, 2005**

BAYOU INTERNET SERVES NORTHERN LOUISIANA FOR A DECADE

Monroe, La.— Bayou Internet announces its 10th year providing Internet and communications services as a local company to residents and businesses in Northern Louisiana. Over the years, Bayou's portfolio of services has evolved into a wide variety of services such as Internet connectivity, networking solutions, hosting solutions and Web site services, making it not only an Internet Service Provider, but also a Communications Service Provider.

According to Jerry Scroggin, general manager of Bayou Internet, "We are proud of this milestone. It shows our long-term dedication to customers and the community." Scroggin continues, "We look forward to what a new decade holds and the new technology we will bring to people in the area."

While the actual anniversary date is in May, Bayou will be celebrating this achievement all year long, offering specials and promotions on many of its quality services and participating in community events.

About Bayou Internet

Since May 1995, Bayou Internet has provided excellent communications services to both commercial and residential customers in Northern Louisiana. Bayou's business solutions include virtual email, virtual 360° tours, video conferencing, network design & configuration, Virtual Private Networks (VPN), Wide Area Networks (WAN), Integrated Services Digital Networks (ISDN), High Speed DSL, High Speed Satellite Connections, Wireless, T-1 lines, T-3 lines and dialup connections. Additional offerings include Web site design, Web hosting, data transit, Web site advertising and Internet marketing. Bayou also provides managed services, fiber optic connections, spam filtering and content filtering. Today, Bayou is the largest independently owned Internet and communications service provider in Northern Louisiana, with corporate offices located in Monroe. "Louisiana 318, Our Field of View Begins with You."
