FOR IMMEDIATE RELEASE **December 8, 2003**

### EMAIL YOUR WISH LIST TO SANTA

Monroe, LA – Bayou Internet has teamed up with K104 and TV-8 to give Santa his own email address. Moms and dads are invited to grab their young ones, sit down in front of the computer and send an email to Santa. And parents, if you save the email to your “Sent Items” folder, you will have a copy of the list to help with your Christmas shopping!

This is a fun way for kids to tell Santa what they hope to find under the tree and in their stockings this year. They will also get to see what other kids are asking for, which may or may not be a good thing. Santa and his helpers will send a personalized response to each letter, so be sure to check your email a day or two after writing. **Email to Santa** is available on the web at [www.bayou.com](http://www.bayou.com), just click on Santa’s mailbox.

**Email to Santa** is sponsored by K104, TV-8 and your friends at Bayou Internet. For more information about Email to Santa, please contact Bayou Internet at 318-323-0011 or toll free at 888-30-BAYOU.

#### **About Bayou Internet**

Since May 1995, Bayou Internet has provided reliable communications services to Northeast Louisiana. Bayou was Northeast Louisiana’s first to bring commercial Internet access and is now the largest independently owned communications service provider in Northern Louisiana, with corporate offices located in Monroe. Bayou provides Internet access systems to both commercial and residential customers. Bayou’s business solutions include high-speed connections, network design and configuration, Web site design, Web hosting, data transit, Web site advertising and marketing. For more than eight years Bayou has served schools, churches, hospitals, government agencies, television and radio stations, corporations and small businesses throughout north and central Louisiana. “Louisiana 318, Our Field of View Begins with You.”
