

e-Newsletter for August 14, 2009

How is Bayou Digital Voice different from other digital phone service providers?

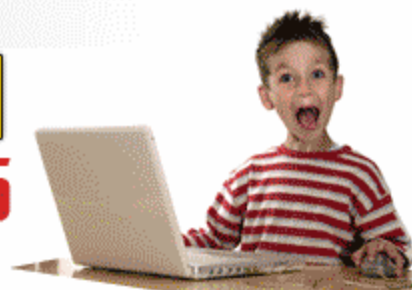

Most digital phone service providers use the public Internet to transmit your calls. Bayou Digital Voice service does not; we transmit your calls over our state-of-the-art broadband network. With Bayou Digital Voice you get the call clarity you expect, along with great benefits not always offered by other providers. [Find Out More](#)

IT'S B.T. S. TIME AGAIN!
