Colocation Services from Bayou Internet

Bayou Internet and Communications' Co-location Solutions allow you to safely store your data or equipment in our managed, secure data center facilities. Our managed data center saves you time and money by enabling you to instantly take advantage of our established connectivity, secure facility and trained personnel.

You can retain full control over your own data, servers, firewalls, and equipment. Bayou can accommodate your storage needs whether you are looking to house a single 1U server, a partial rack or multiple racks, or just your data on our servers.

Protect your data by calling Bayou today at 888-30-Bayou!

Take the internet with you!
