### Keep Your Computers and Network Healthy

The current economy is forcing everyone to look for ways to streamline their business operations. Bayou Internet's Sys Admin service is the best way to keep your computers and network healthy while maintaining your bottom line. System Administrators come to you. We have the skills to diagnose and repair, maintain and grow your network. Whether you need us a couple hours a day, week or month we have a plan that will work for you. All that and you're saving 20% off of each hour under contract. You have enough to worry about right now. Your network doesn't have to be one of them.

Call us today at 888-30-Bayou for complete details!
